	**** Monday Closed ****	
Tuesday 9 to 11 am	PUBLISHER CARD CLASS - Members will use previously learnt techniques to recreate cards of their choice. This class is headed with members helping members. <i>"For members who understand basic Publisher skills"</i>	Members
Tuesday 11.30 to 1.30	BEGINNERS (Stage One) Understanding Computers. Take the first step to understand computers, with simple learning steps explained. This class is a must for first time beginners <i>"Start your computer learning journey"</i>	With Dennis Noel
Tuesday Afternoon 2 to 4 pm	BASIC SOCIAL MEDIA SKILLS: Learn basics skills. Learn how to get online and how to be safe when working on line. Learn how to keep up-to-date with what's happening in your community and around the world. Learn how to shop online safely and securely without leaving home. Learn how to sell unwanted items on line. Learn how to talk to family and friends who live far away. <i>"This class will advance your social interest".</i>	With Dennis Noel
Wednesday 9 to 11am	APPLE PORTABLE DEVICES - LEARNING ADVANCE SKILLS: Learn advanced skills about iPads and iPhones in a class forum. Members will share skills to help each other. Please make sure all software is up to date, plus knowing passwords for all accounts. <i>"Bring along your iPad & iPhones for hands on experience"</i>	With Jennifer Apps
Wednesday 11.30 to 1.30	MIX BAG OF COMPUTER SKILLS: Everyone has the potential to have gaps in their basic computer skills regardless of how long they've used a computer. Refresh your memory this term and learn lots of skills and tricks to give you that cutting edge when working on computers. <i>"Learn amazing ideas and computer tricks"</i>	With Bob MacPherson
Wednesday Afternoon 2 to 4 pm	ANYTHING GOES! A group discussion class. Ask about your Computer and Internet concerns. Have fun along the way with eBay, Email, PowerPoint, Photos and Slide Show Management Plus....The new Windows 10 Anniversary Edition. <i>"Come along and enjoy - Beginners most welcome"</i>	With Gavin Loy
Thursday 10 am to 12 noon	NEW SPECIAL PUBLISHER CLASS - For all creative members who would like to learn basic publishing skills. Learn and develop publishing techniques to make Cards, Labels and Posters. Expand you artistic knowledge with amazing ideas and have fun learning. <i>"New Members Welcome"</i>	With Nina Fant
Thursday Afternoon 2 pm to 4 pm	PHOTOGRAPHY AND PICTURE EDITING - Learn more about photography with both camera and phone and how to edit pictures. Then how to share the results with others and store them on the internet (in the cloud). The editing will be Windows based and any type of phone can be used. <i>"Bring your charging cables, spare batteries etc".</i>	With Peter Campbell
Friday 9 to 11 am	PUBLISHER WITH CREATIVE IDEAS AND SHARING IDEAS – Carol will show you how to become creative with your Publishing skills, turning ideas into amazing work to enhance your home. Lots of Clip-Art and easy steps for Seniors to understand. <i>"Members need basic publisher skills for this class"</i>	With Carol Noel
Friday 11.30 to 1.30	ANDROID PHONES AND TABLETS- Suitable for beginners as the basics will be covered to remind longer term users what they can do. All you can do with a phone will be covered. Write down your questions before you attend. Any topic covered, just ask. <i>"Bring your charging cables".</i>	With Peter Campbell
Friday 2 to 4 pm	MICROSOFT EXCEL BASIC: Keeping information is simple, once the basics of Excel are learned. Do you want to track your rainfall, be able to search an address of your friends and contacts, prepare a household budget or log your electricity usage. EXCEL can do it for you.	With Peter Maslen

The committee has introduced a *"Members' Suggestion Box"* to obtain members' ideas, to plan a pathway forward for our club. Members' feedbacks on any subject, recommendations or complaints are all welcome. No signature required. The committee can only build a better future by all working together, remember this is your club.

Bob MacPherson – Programme Officer.
