**Presidents Newsletter September 2017**

1...September was a very busy month with the preparation of the Annual General Meeting (AGM) for 27<sup>th</sup> October 2017, in the River Room at Maclean Services Club at 10.0am. Tea and Coffee will be provided. Remember all positions on the Executive and Management Committee are declared vacant and your vote on the day decides who fills those positions. **You must be there to vote there are no proxy votes.**

2...The Christmas Party this year is to be held on Friday 15<sup>th</sup> December 2017 at Maclean Bowling Club, Lunch will commence at 12 noon. The cost is \$5.00 per Member (non-refundable) and \$22.00 non- members. There will be lucky door prizes, and alternate Roast Lamb and Roast Pork with alternate Desserts of Pavlova and Cheese Cake. If you require a special meal for health reason please let reception know when booking.

3...Gavin Loy and Frank James upgraded all the clubs computers during the Term Break. Thank you Gavin and Frank, this may sound very easy, but it is far from it. These men volunteer their time over at least 2 days for free. Over a year this saves the club Thousands of Dollars therefore we are deeply grateful for their tireless efforts.

4...The classes attendance is dropping and this is very disappointing to all the effort the volunteer leaders give to our club. **So please attend these classes as your support is needed to keep the club viable.** If there are subjects or

date and times not to your needs please let Programme Officer Bob MacPherson know. There may be ways to help overcome your disappointment.

**5...**As we are now in our final term before the Christmas Break, some of the classes now have a Christmas theme. That members seem to enjoy.

**6...**Annual fees are due for renewal on the 1<sup>st</sup> January 2018, please write this date in your diaries. All members will now be due on the same day.

**7...**The Management Committee has asked IT Officer Gavin Loy to investigate upgrading Microsoft Office to 2016 as Microsoft Office 2007 is 10 years behind. This would mean the club computers would have Office 2010 and Office 2016 installed. It is time all members have at least Microsoft Office 2010 on their computers. The reason club computers need up grading, is because one of the objects of our club is to teach our members the latest technology available.

**8...**If you wish to nominate for any position on Executive or Management Committee, Nomination Forms are available at reception you will need 2 other members to sign your form. Nomination close 4pm 12<sup>th</sup> October 2017, **Do not be afraid to nominate.** The members will decide who is appointed.

**9...**If you have any questions please feel free to contact the Secretary Carol Noel or myself.

**See you at the AGM**

President Dennis
